Laconia Airport Authority

The Laconia Airport continued its record of increased service to the residents of the Lakes Region during 1967-68. Winnepesaukee Aviation established a year-round schedule of two round trips daily to Boston on November 24, 1967; Northeast Airlines flew their normal summer schedule from June 13 through October 15; Trans East Airlines also had two flights daily to New York beginning on June 23. Overall there has been an increase in both passengers and aircraft out of the airport of at least 10%.

Construction of a new office building on airport land was begun by Lakes Region Airport Properties, Inc.

Civil Defense

B. Albert Markot, Director

Civil Defense in Laconia is progressing well in the overall plan. There were many educational and instructive courses given, and they will be available again this year. Several new shelters have been designated and will be stocked with food and medical supplies this year.

The home shelter program handled by the census bureau was quite successful in Laconia. The auxiliary police are a most active group of dedicated men and are putting in many hours with the police department under the able guidance of Bernard Cashin. The Rescue group is well organized and are devoting much of their spare time to Civil Defense. They have done a wonderful job in developing a rescue vehicle and are now in the process of making it a fully equipped working vehicle, guided by Wm. Cherrette.

Our Communications Group deserves our plaudits for the organizational program they have done in Belknap County. They are operating weekly from our interim emergency operating center (EOC) at the county home. This fine group is under the direction of Norman Butler.

A new city Civil Defense plan is now being prepared to comply with all aspects of our national Civil Defense program.

Welfare Department

Year Ending June 30, 1968

Bertrand Morin, Welfare Director

Laurette B. Johnson, Secretary

The Welfare Department received an appropriation of \$106,506.64 which was expended as follows:

Direct Relief

Appropriation	\$36,506.64
---------------	-------------

Expended:

Aid to 145 families (525 persons)	\$10,745.12
Aid to 59 single persons	2,510.35
Aid to 45 veterans and families (207 persons)	2,814.53
Aid to 4 veterans (single persons)	116.29

\$16,186.29

Salaries and other expenses	11,487.68
-----------------------------	-----------

\$27,673.97

Unexpended	8,832.67
------------	----------

Reimbursements and recoveries to direct relief	1,332.51
--	----------

\$10,165.18

Breakdown of Amount Expended for Direct Relief

Food	\$5,309.52
Gas and electricity	486.49
Clothing	320.15
Fuel	304.27
Rent	3,794.90
Board and Care: Adult	85.20
Children	4,537.45
Medical, hospital, funerals, etc.	1,348.31
Salaries	7,421.64
Office expense	4,066.04

\$27,673.97

Old Age Assistance (city's share):

Appropriation	\$70,000.00
---------------	-------------

Expended	63,011.66
----------	-----------

Unexpended	6,988.34
------------	----------

Recoveries to Old Age Assistance	2,371.84
----------------------------------	----------

\$9,360.18

Returned to General Fund	\$19,525.36
--------------------------	-------------

Surplus foods donated by the U.S. Department of Agriculture has been distributed to 4,071 persons and is being distributed monthly from city hall to anyone eligible to city, county and state welfare and to borderline cases who qualify under an income rate set up by the distributing agency in Concord.

It is anticipated with the change in settlement law requiring only a one-year residency and with urban renewal that general welfare will be on the decline.

The Mayor and City Council annually elect two members to serve for a three year term on the Library Board of Trustees. In March Mrs. Dorothy Newell and Mr. Sherwin Greenlaw were elected to replace Mrs. Alma Gallagher Smith and Mrs. George W. Tarlson whose terms had expired. Mrs. Elsa Avery submitted her resignation in June, 1968 when she moved from Laconia. Her unexpired term will be completed by Mrs. Ralph Morin.

After completing forty years of service, the senior member of the staff, Mrs. Margaret K. White, retired in

December. Her cheerful smile and devoted service at the circulation desk will be greatly missed by all her friends.

A written statement of policy, adopted by the Board of Trustees, was placed on file with the State Library Commission. The Library subscribes to the Library Bill of Rights and the Freedom to Read Statement as prepared by the American Library Association.

The appearance of the main entrance and area surrounding the circulation desk has been noticeably improved with a wall-to-wall acrilan carpet. Installation of a similar carpet in both reading rooms would greatly reduce the sounds of routine traffic.

The file of newspapers on microfilm reels includes the early LACONIA DEMOCRAT, NEWS AND CRITIC, and the LACONIA EVENING CITIZEN. Copies of items from these papers are now readily available to the public by means of a microfilm reader-printer. Under Title III of the Library Services and Construction Act, this Library received the reader-printer without charge.

The Children's Room was completed in November 1957. Under the capable supervision of Miss Ruth E. Johnson, 293,640 books have circulated from that department during the past ten years. Story hours, film programs and summer reading clubs have been sponsored by the library.

Both the Library and Gale Park are the gift of the late Napoleon B. Gale. His will stipulated that one-fourth of the annual income from the trust fund be used for the Park. For approximately thirty years regular pruning, fertilizing, and annual spraying have been used to insure the healthy condition of the trees. It was a sad week in October when, after much consideration, it was agreed there was no other alternative but to remove the elms due to Dutch Elm disease. Landscaping plans for the future balanced arrangement of the entire area will be based upon professional advice. Two large blue spruce trees, given by Mr. and Mrs. Archie DePine, were placed along the eastern border of the Park. A red oak tree was given and planted by Mr. Wilfred Monahan at a special Arbor Day ceremony sponsored by the Belknap

Committee on Beautification.

Net Income (available for bond principal retirement and other outlays)		*\$106,318.48
---	--	---------------

*Increase is due to the raise in rates

During 1967 the Laconia Water Works metered about 75% of the Weirs

customers, and began to relay the old Boulevard water main with new 12" Cast Iron Cement Lined pipe. This will be completed in 1968 from the Flying Cloud Motel to the Channel.

Also during 1967 the Lakeport Reservoir was cleaned, sides rebuilt and completely united.

ZONING BOARD OF ADJUSTMENT

Membership —

Maurice Tibbetts, Chairman

Glenn A. Walter

John D. Newton

Dr. John R. Perley

Linwood A. Hewitt

Jason C. Sloan, Clerk

Hearings held from July 1, 1967 to June 30, 1968.

No. of Petitions 11 — No. Granted or Approved 8

No. Denied 3 — No. of Meetings 7

The Zoning Board of Adjustment holds meetings on the 3rd Tuesday of each month when there are petitions to be heard. The hearings are public and are resigned to consider cases where strict interpretation of the zoning regulations might impose a special hardship on the petitioner. Board members serve without compensation for five-year terms.

Parks and Recreation Department

ANNUAL REPORT 1967-1968

Chairman, Gardner Kidder

<i>Richard Colby</i>	<i>Bernard Lacroix</i>	<i>Armand Laramie</i>
<i>Phyllis Vose</i>	<i>Calvin Rolfe</i>	<i>Edna Granger</i>
<i>Gerard Bolduc</i>	<i>Ida Avery</i>	<i>Grace Drew</i>

The Laconia Parks and Playgrounds opened their summer program on June 23rd and closed on September 4th. Swimming lessons were held at all beaches with a very well trained staff of lifeguards in charge. Approximately 950 children were enrolled for swimming lessons, including pre-schoolers through Junior Life.

The Arts and Crafts program was held daily at the playgrounds. All playgrounds were supervised by very capable personnel. There was a very well rounded program of summer activities including: tennis lessons, baseball games, horseshoe tournament, checkers tournament, bike rodeo, swim meets, arts and crafts display, peanut carnival, and Parks Day. The playgrounds had an average daily attendance of 185.

A long and excellent season of ice skating was enjoyed by the people in the Laconia area. Six skating rinks were maintained, with most of them being lighted for evening skating. As usual, an excellent skiing program was run under the direction of the Winnepesaukee Ski Club.

The cinder track at Opechee was very much in use throughout the track season.

Opechee Park

A new Little League building with bathhouse facilities was installed at the Point. The park house was painted, repairs made and screens installed on the windows. A section of the bathhouse at the Cove was remodeled for use by the lifeguards. Little League purchased a new score board from funds donated in memory of Chris Colby and Mickey Dun-

leavy. New fencing was installed at Little League and old fencing repaired. Dead trees were removed and new shrubs and trees were planted.

Memorial Park

New fencing was installed at the Babe Ruth field. Lights were installed at the softball field. A new press box was built for all games. Four light poles were added to the ski area. All storage buildings were painted. A new roof was put on the dugout. The ball field was redone. The parking area was enlarged at the club house.

Wyatt Park

Dead trees were removed from the play area. A room for Community Action Center was built in the club house.

Tardif Park

The club house was painted. Dead trees were removed. New cabinets were added in the club house.

Bartlett Beach

A bathhouse with toilet facilities was installed and all buildings were painted. Parking area was enlarged. New fence was added to the parking area. New lifeguard stands were installed.

Leavitt Park and Beach

A new room was added to the park house. New section of club house was painted. The beach was enlarged and a new raft built. New barbecue grills were added at the beach. Shrubs were planted in front of the club house. A small building was moved from Opechee to Leavitt for use as a hockey house. Hockey rink was repaired and painted.

Weirs Beach

The old entrance stairs were removed and a new walkway was installed. The guard rail fence and bathhouse were painted. Stairs were replanked. Dead trees were removed.

Planning Board

Membership —

John D. O'Shea, Chairman (succeeded by Benjamin Zuloofsky)

John P. Irwin, Vice-Chairman (Chairman 1968-69)

Dr. John R. Perley

Dr. Kenneth Achber

Mrs. Lucille F. Guild (Vice-Chairman 1968-69)

Ex-Officio —

Mayor James Royal (succeeded by Rodney N. Dyer)

Councilman Charles M. Smith

City Engineer Wayne H. Hoereth

Secretary —

Jason C. Sloan

Planning Director —

David G. Scott

Recognizing that sound future planning must be based on a solid platform of up to date codes and ordinances, the Laconia City Planning Board has spent considerable time during the preceding year carefully reviewing existing City regulations to assure that they will work together toward obtaining the goals of the Comprehensive Plan. The Zoning Ordinance, the Subdivision Regulations, the Building Code and the Housing Code laws came under careful scrutiny. Proposed revisions of the first two are expected to be presented in the fall. The Housing Code was amended in May of this year.

No less important than a good housekeeping program, is one aimed at providing accurate information to the public. Such a program of information has been undertaken with extensive use being made of the news media, including special articles and programs. The Planning Director has met with local civic groups and reviewed Laconia's progress with them. In addition, there have been meeting with Legislative Committees, the State Department of Public Works, and the State Department of Economic Development.

Other projects include: A study to aid in selecting the future site of the Central Fire Station which is due for demolition under Urban Renewal; a rather detailed review of sites for the new City Hall; assistance to the Laconia Housing and Redevelopment Authority in plan changes relating to Traffic and Parking; and numerous other studies and reports on Traffic and Parking, Subdivision Review, procedures for disposing of Tax Delinquent Property acquired by the City and recommendations relative to Public Boat Launching Ramps and Facilities.

The past year has also seen the formation of a Lakes Region Planning Commission consisting of all but one of the communities that abut Lake Winnepesaukee. It is hoped that this organization will provide the vehicle for closer coordination of all planning programs within the area.

Among the several projects that have been initiated, a successful South End School Site Study resulted in acceptance of the Baldwin Street Site and presently the School Board and City Council are working on proposed building plans. A Development Plan for the Laconia Municipal Airport was undertaken and completed by Alonzo B. Reed Co., Inc. thanks to the combined fiscal and physical efforts of the Town of Gilford and the City of Laconia.

Laconia Housing And Redevelopment Authority

COMMISSIONERS

Richard A. Messer, Chairman Paul N. Stewart, Vice Chairman
Noel J. Laurent George H. Guild Arthur W. Strathern
David J. Lafond, Executive Director
Albert J. LaBonte, Assistant Director
Helen D. Martin, Director of Housing

The 1967-68 fiscal year covered by this City Report was an action-packed period for the Laconia Housing and Redevelopment Authority in effecting change and progress. The accent was on action as evidenced by the following summary of Authority activities of the past twelve months.

A total of 38 parcels were acquired by the LHRA since the Winnepesaukee River Project went into execution in October 1966 — 27 were acquired by deed, 11 were acquired by eminent domain. Of the total, 28 were acquired in the 1967-68 fiscal year. Of 54 parcels to be acquired at the outset, the LHRA has title to all but 16 parcels, three of which are to be acquired from the City as donations toward project costs. The parcels designated to be acquired include 74 structures of which two are scheduled to be saved for historic value. A total of 21 buildings have been demolished. The acquisition required property management of nearly 150 rental units to the end of the fiscal year in 60 structures by Authority staff.

Relocation activities to date involved some 70 families, individuals and businesses. Combined, these displaces received in excess of \$185,000 in relocation payments.

The Authority has spent to date in excess of two million dollars for properties purchased or acquired by condemnation. Many displaced property owners and relocatees in turn invested or reinvested in other real estate thus generating further real estate activity.

City tax credits accumulated to date are presently estimated at approximately \$30,000. This figure does not include estimated tax credits for the tax year which began April 1, 1968. Buildings demolished since April 1 of this

year will earn tax credits for the full tax year. Properties in the renewal project area are removed from the city property taxrolls as of the date they are acquired but continue to earn tax credits through the tax year in which the buildings thereon are demolished based upon the valuations and tax rates for the years the structures remain standing. The total tax credits accumulated by the City will be applied toward its share of the new project costs. Because of staging of project activities and increased tax rates, it is fair to assume the City will have earned far in excess of the original estimate of \$40,510 which was deducted from the City's cash share of the project.

The Authority, by its progress in acquisitions, relocation, demolition, and other renewal project activities, has earned and received several grants from the Department of Housing and Urban Development (HUD). These grants were for a total of \$1,536,450. This amount, along with \$1,500,000 procured in January of 1968 through private financing and the estimated cash share of \$217,628 received from the City of Laconia in April 1968 were used to pay outstanding loan obligations and to speed up various urban renewal activities.

With the approval by Department of Housing and Urban Development of a revised Annual Contributions Contract to include four additional apartment units for a total of 100 dwelling units of public housing for senior citizens, the Authority set its sights toward the completion of the final planning phase at the outset of the fiscal year 1967-1968.

Early in the summer of 1967, the architects and engineers began the final draft of construction drawings. These were submitted to the Housing Assistance Administration at the New York Regional Office followed by a conference on August 29, 1967 attended by the local Authority staff, the architectural staff and the technical advisors at the Regional Office. At this time, suggestions and corrections to be incorporated in the final documents were agreed upon.

The Authority also concentrated on the completion of documents for housing site acquisition. In compliance with Laconia's urban renewal program, requiring one parking space for each two apartments, 9,735 square feet were added to the original site, making a total of 67,885 square feet.

The Authority maintained constant communication with New York Regional Office to obtain early approval of all documents. Verbal approval was granted on February 15, for the Authority to advertise for bids on February 20 for Bid Opening April 4, 1968. The low bidder being R. E. Bean

Construction Company, Inc. of Laconia and Keene for \$1,528,227 among the six bids received. On May 10, 1968, a contract was drawn with R. E. Bean Construction Co., Inc. for the construction of 100 apartments at a cost of \$1,528,227. Ground breaking ceremonies on May 21 marked the start of construction of the 100-unit facility, the first new building within Laconia's urban renewal area.

The Authority, together with the local Chamber of Commerce, sponsored a Naming Contest. Three judges were chosen: Mr. Claude Foster, Miss Marion Garland, R.N., with former Councilman Paul DuBrule as Chairman. The contest was open to all senior citizens in the community, with a small donated cash prize to be presented on Senior Citizen's Day of Laconia's Diamond Jubilee.

Redevelopment preliminaries related to necessary preparations for selling and for private construction required much of the attention of the Authority and staff in the 1967-68 fiscal year.

Extensive demolition and site clearance work as a prelude to making land ready for sale and construction of site improvements. Three demolition contracts were executed since July 1967 involving the removal of 26 structures, 16 of which were demolished. Work is continuing at this writing on the latest contract to demolish 10 structures and a wood-frame portion of another. The first contract for major improvements on the project site—Main Street bridge work, start of loop roads and storm drainage was advertised in June for bids. The bid opening is set for July 16, 1968 with start of construction in August and continuing for ten months.

Prior to advertising land for sale, general and specific policies and procedures were formulated and adopted by the Authority for a complete general Developer's Kit. This required extensive study, consultations with design consultants, printers and other technicians, the Chamber of Commerce, the Planning Board, City officials and others.

In a word a momentum of progress was achieved this past fiscal year and promises to continue dramatically in 1968-1969.

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-eight.

A RESOLUTION ON THE DEATH OF ALFRED O. BOUDREAU.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the mayor and members of the city council were shocked to hear of the death of Alfred O. Boudreau; and

WHEREAS, Alfred O. Boudreau served the city faithfully and well as Director of Civil Defense for a number of years; and

WHEREAS, Alfred O. Boudreau was president of the Lakes Region Labor Council and was known as a dedicated and outstanding citizen of the City of Laconia.

BE IT RESOLVED that the mayor and members of the city council extend to the family of Alfred O. Boudreau an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Alfred O. Boudreau.

Passed and approved this 29th day of April, 1968.

RODNEY N. DYER,
Mayor

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-eight.

A RESOLUTION HONORING MRS. ELSA L. AVERY.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, Elsa L. Avery has faithfully served the City of Laconia for fifteen years as Secretary to the Mayor; and

WHEREAS, she has impartially performed the duties with exceptional efficiency; and

WHEREAS, her sincere and warm personality has endeared her to friend and stranger alike; and

WHEREAS, she has now decided to retire from the position she has so ably filled;

BE IT RESOLVED that I, Rodney N. Dyer, Mayor of the City of Laconia do hereby convey to Elsa L. Avery the heartfelt gratitude of the City of Laconia for her dedicated service; and

BE IT FURTHER RESOLVED that we all extend to Elsa and her family our best wishes in those many quiet years of life ahead.

Passed and approved this 24th day of June, 1968.

RODNEY N. DYER,
Mayor

A Report From The Mayor

1968 has been a year in which we have celebrated the past and prepared for the future. We have celebrated our Diamond Jubilee and at the same time launched the most ambitious reconstruction program in the history of our City. One has only to count the number of buildings, either in the process of construction or slated for construction, to realize that we truly are a city on the move. It is particularly appropriate that this year, our 75th as a city, should be the one in which so many changes have occurred.

Basic decisions being made this year will shape the course of city government for years to come. The City Council has been presented with such problems as the selection of a site for a new city hall and central fire station, re-districting of city wards, creation of a new ambulance service, the building of a new elementary school, implementation of the Housing Code and a review of the basic structure of our city government.

A major innovation this year has been the start of a capital expenditure control program. This program is designed to spread out major investments over a number of years using a system of priorities to determine what projects are most necessary in any given year. Such a program should clearly facilitate the orderly growth of our community.

Laconia, today, is facing problems typical of many urban communities. We can only meet these problems if our city government is adequate to the task and is supported by an informed, committed citizenry. The challenge of the coming years will require the efforts of all in a spirit of cooperation and pride in our community.

I am confident that the challenge will be met.

RODNEY N. DYER, MAYOR

CITY AUDIT

CITY OF LACONIA, NEW HAMPSHIRE

Exhibit A Statement of Financial Condition — The General Fund As at June 30, 1968

Reserve for funds available (over period of bond repayment schedules payable annually) to apply to sewer indebtedness—from New Hampshire	1,148,652.72
--	--------------

Surplus (retained revenues): (4)

Allocated to City Hall replacement (Schedule A-1)	112,000.00	
Unallocated General Fund Surplus (Schedule A-1)	144,047.18	
Parking Fund Deficit (Schedule 4-A)	(6,310.54)	
	<hr/>	249,736.64

Total Liabilities*, Reserves, and surplus	<hr/> \$1,528,604.45
---	----------------------

*Exclusive of bonded indebtedness (see Exhibit D)

EXHIBIT A FOOTNOTES

- (1) This represents the total amount of two checks dated in June, 1968, in payment of bond principal and interest due July 1, 1968, and budgeted for in the 1968-1969 fiscal year budget plus a disbursement of a small item also budgeted for next year for one of the departments. In regard to the payment of the bond principal and interest, it is required by the bank that such check be **collected** prior to the due date of the bond principal and interest payment. The due date as mentioned above was July 1, 1968.
- (2) Represents funds forthcoming from the State of New Hampshire as reimbursements for 40 per cent of the eligible construction costs plus interest and payable over the same period of years as the various bond issues originally floated to obtain the funds for such sewer construction. See Schedule A-3 for the inclusion of such **yearly** amounts as assistance in the retirement of the applicable bonds.
- (3) The accounts payable, with the exception of the small tax refund due, represent invoices incurred and dated prior to June 30, 1968, for goods and services received prior to June 30, 1968, but not paid until subsequent to July 1, 1968. These amounts are included as liabilities in the Statement of Financial Condition, but will be paid for during the next fiscal year with funds obtained from taxes and other revenue during the next fiscal year ended June 30, 1969.
- (4) The unappropriated (unallocated) surplus account of the City of Laconia at June 30, 1968, after deducting the Parking Fund deficit of approximately \$6,000.00 at such date, amounts to \$138,000.00. Without the inclusion of the accounts payable referred to in footnote 3, the unallocated surplus account would amount to approximately \$174,000.00. Although the uncollected taxes of the City have now increased to the total amount of approximately \$114,000.00, there does appear to be an ample amount of surplus funds of the City at June 30, 1968, sufficient to use a portion thereof toward the 1968-1969 tax rate of the City.
- (5) **Provision for uncollectible accounts**—\$7,494.37 — This amount represents the uncollectible portion of ten property taxes on real estate taken under urban renewal proceedings. The balances due on such taxes will be abated in the following year.

Schedule A-1

CITY OF LACONIA, NEW HAMPSHIRE

Analysis of Changes in General Fund Surplus For the Fiscal Year Ended June 30, 1968

Balance, General Fund Surplus, July 1, 1967		\$127,398.38
Less—Amount transferred to apply on 1967-1968 bonded debt (see Schedule A-3)		80,407.68
		<u>46,990.70</u>
Less—Direct cash expenditures from surplus:		
Lakes Region Disposal Company	\$25.00	
Accident settlement	41.00	
	<u>66.00</u>	
Total cash expenditures to Schedule A-5		<u>66.00</u>
		46,924.70
Less—Transfers to department budgets (Schedule (A-3):		
Insurance—workmen's compensation	1,370.45	
Elections—salaries of ward officials	1,450.00	
	<u>2,820.45</u>	
		<u>44,104.25</u>
Plus—Net excess of actual "other general fund revenues" over amounts estimated in computing the 1967 tax rate (from Schedule A-2)		36,009.70
Plus—Net excess of budgeted appropriations over actual amounts expended (from Schedule A-3)		73,596.11
		<u>153,710.06</u>
Balance of Surplus Before Adjustments		153,710.06
Plus—Non-cash additions:		
Record uncollected wood and timber taxes	172.00	
Record balance receivable from sale of City Hall	106,400.00	
Record decrease in accounts payable	3,262.46	
	<u>109,834.46</u>	
		263,544.52
Less—Non-cash deductions:		
Record provision for uncollectible 1967 property taxes requiring abatement (property involved in urban renewal)	7,494.37	
Tax corrections	2.97	
	<u>7,497.34</u>	
		<u>\$256,047.18</u>
Balance, General Fund Surplus, June 30, 1968		\$256,047.18
Surplus allocated to sale of City Hall	\$112,000.00	
Surplus—unallocated	144,047.18	
	<u>\$256,047.18</u>	

Schedule A-2

CITY OF LACONIA, NEW HAMPSHIRE

Statement of Revenues Other Than Property or Poll Taxes of the General Fund For the Fiscal Year Ended June 30, 1968

Exhibit C

CITY OF LACONIA, NEW HAMPSHIRE

Notes to the Combined Statement of Financial Condition Of all Bond Funds Separate from General Fund

As at June 30, 1968

- (1) During the fiscal year ended June 30, 1961, the City received \$42,518.20 as an advance from the Federal government to offset expenditures for preliminary sewer project plans. In addition to this, the City received an advance of \$8,500.00 for preliminary planning of sewer projects on Shore Drive and Union Avenue. These advances were given under the condition that they shall be repaid in full only when such projects are actually instituted. Such projects are in progress, and \$12,800.00 of these advances were repaid in the year ended June 30, 1963; \$1,300.00 in the year ended June 30, 1964; \$10,630.00 in the year ended June 30, 1965; and \$13,388.20 in the year ended June 30, 1966. The remaining balance due of \$12,900.00 must be paid from unexpended sewer bond funds—ample funds are available to pay this liability.

(2) **Sewer Project 3: (1965 Sewer Bonds)**

Remaining payments due contractor
as at June 30, 1968:

R. Zoppo, Inc., 2% guarantee retainage	\$16,829.47
Final engineering costs	Unknown

Total Liabilities except engineering	\$16,829.47
--------------------------------------	-------------

Project 3 unexpended cash and approximate balance of Federal grant are ample to liquidate the above remaining liabilities for this completed project with a very substantial remaining surplus of approximately \$300,000.00.

(3) **Airport Improvement Funds—1967:**

As at June 30, 1968, there are no payments due contractors; there may be additional engineering fees payable with final audit. All work except the clearing of bushes has been completed; this is being paid with Federal funds under O.E.O. A small surplus should be realized after paying for final engineering fees. The approximate balances due Laconia under Federal grants were confirmed directly with FAA.

(4) **General Comments:**

In regard to sewer construction projects, the Federal grants of 30 per cent of eligible costs are received during and shortly thereafter completion of the construction work. State grant funds are not available in lump-sums to aid in the actual costs of construction but are received ratably over the period of the applicable bond issues involved. State grants are based upon 40 per cent of Federal eligible costs plus interest thereon and are used by the City to apply against the total principal and interest on the bond issue each year of maturity.

Schedule C-1
CITY OF LACONIA, NEW HAMPSHIRE
Bond Funds
Statement of Cash Receipts and Disbursements
For the Fiscal Year Ended June 30, 1968

Balance of Bond Funds, July 1, 1967 **\$ 535,034.42**

Plus—Cash Received on New Issues:

1. Sept. 15, 1967, Water Works Bonds—	
Principal received	\$150,000.00
Interest earned	10.50
April 1, 1968, Urban Renewal Bonds—	
Principal received	300,000.00
Premium and interest earned	2,791.58
Dec. 15, 1967, School Bus Notes—	
Principal received	14,500.00
Funds transferred from school dept.	43.00
	<hr/>
Sub-total	467,345.08
	<hr/>

Plus—Cash Received on Prior Issues:

2. Interest earned—1952 bonds	11.06
Interest earned—1954 bonds	132.49
Interest earned—1-15-57 bonds	38.49

		<hr/>
Total Liabilities		\$249,517.76

The notes and comments to this statement of financial condition are an integral part of this report.

Notes and Comments to the
The Perley and Ellen M. Putnam Free Lecture Fund

Note 1 — This lecture fund was willed to the City of Laconia, New Hampshire, by Nellie P. Chamberlin. Her will provides for “the procurement of **free** courses of lectures on history, literature, art, or science to be given **in** the City of Laconia at such times and places as the said City of Laconia shall appoint. The principal shall be kept separate and intact and only the income shall be devoted to the uses of the trust.” the bold face words are for emphasis only.

Note 2 — The stocks and bonds were received from Old Colony Trust Company on April 15, 1968, by the secretary-treasurer of the lecture fund. The value which was attached to them,

\$196,592.00, is the fair market value which Old Colony Trust Company had assigned to them. These stocks and bonds constitute the bulk of the principal of the fund. As a detailed listing of the market value was not submitted to the secretary-treasurer as at the date of valuation, only the total market value of all stocks and bonds has been shown. The investments consists of the following:

Name	Shares
E. I. Dupont De Nemours	60
Eastman Kodak	120
General Electric Company	200
General Motors Company	82
Illinois Power Company	270
International Business Machine Company	164
J. C. Penney Company	270
Mount Beacon-on-Hudson Association	5
Pacific Gas and Electric Company	171
Procter and Gamble Company	100
So. California Edison Company	160
Standard Oil Company — New Jersey	250
Union Carbine Corporation	180
U.S.A. 5 per cent Serial Treasury Notes— maturity value—\$15,000.00	
General Motors Acceptance 5 per cent debenture bonds—maturity value— \$15,000.00	

Note 3 — The secretary-treasurer, R. Holbrook, has not been bonded for this lecture fund. The trustees of the fund plan to procure such bond once all of the funds have been received.

Note 4 — During the course of our examination of the expenditures to date from the fund income, we observed an expenditure of \$500.00 to the New Hampshire Music Festival. As auditors, it is our opinion that this particular expenditure is not in accord with the provisions of the trust. The expenditure has been made without service being rendered such as a free concert held in the City of Laconia.
